UWC ATLANTIC EXPERIENCE | GUIDED TOURS AT ST DONAT'S CASTLE

# ABOUT US

A photograph of a large, historic stone castle courtyard. The buildings are made of weathered stone with crenellated roofs and multiple windows. A flag flies from a tower in the background. The foreground shows a stone-paved courtyard. The bottom half of the image is overlaid with a semi-transparent purple rectangle containing white text.

Welcome to UWC Atlantic Experience - the home of events, outdoor activities and training programmes at UWC Atlantic.

Our venue is hard to beat - a stunning Grade 1 listed 12th Century castle set amongst 122 acres of woodland, seafront, valley and farmland. You can take a sneak peek at this remarkable castle - once the home of newspaper magnate William Randolph Hearst and his Hollywood guests - and wander the corridors of what is now UWC Atlantic a 6th form international college.

The image shows the interior of a grand, historic hall. The ceiling is a complex, vaulted structure with intricate carvings and a large, ornate chandelier hanging from the center. The walls are made of stone and feature several large, arched windows with diamond-patterned glass. The floor is tiled, and there are several round tables with wooden chairs arranged throughout the room, suggesting a dining or meeting area.
