How adventurous is GLE?

Participants should be ready for a challenging and adrenaline-based programme, which takes place both indoors and outdoors. Participants should be prepared for, and willing to fully engage with activities.

What are the main activities?

The UWC Atlantic campus boasts its own beach, forest, brand new indoor sports centre, concert / theatre venue, cinema, indoor and outdoor swimming pool, outdoor and indoor volleyball pitch, climbing tower and gym. Full use of these facilities will be made, via a schedule of high-octane activities such as climbing, raft building, kayaking, hiking, orienteering and also a relaxing programme of evening activities through which students can easily mix and make new friends from all over the world.

Are there any excursions?

The GLE programme is jammed packed with activities, workshops and events. Some of these will be off-site and where suitable, additional time will be allocated to explore the local towns and cities. These are not self-led excursions, and participants will be expected to focus on specific activities that follow and develop the core content of the programme. However, our off-site

activities do take place in local National Parks, Heritage Coastline and areas of outstanding national beauty. Many also have specific heritage or environmental designations making the activities not only fun, exciting and adventurous but also exceptional learning opportunities.

What about bad weather?

We will attempt to fulfil all aspects of the social programme, despite adverse weather conditions. However, in the event that bad weather could pose any kind of risk to safety or the significant enjoyment of the participants, a substitute activity will be provided. Again, GLE is an adventure-based programme and participants should be aware that rain will not stop play!

What if my child does not want to participate in any activity?

We will strongly encourage participation in all activities although we can make small amendments to the programme should any participant feel nervous or unsure of any element of the course. However, we stress that participants should be ready for a challenging and adventurous experience. The full programme will be made available to parents in advance of the start date.

Can I, or another family member contact or visit my child during the course?

Participants will not be permitted to leave the campus or any activity/excursion for any reason. This includes meeting friends or family members in the local area. Parents, other family members or friends are **not** permitted to visit at any point during the course, including when your child is on an excursion. In the case of an emergency, parents must contact GLE on the emergency number and relevant arrangements will be made.

Participants will have access to Wi-Fi while on campus, however, it must be understood that GLE is an immersive experience for students with an emphasis on experiencing the programme to the fullest. We, therefore, reserve the right to temporarily confiscate electronic devices if they distract your child, including if your child uses devices after the 'lights out' time (11pm). We ask parents not to encourage their children to communicate constantly with them and to restrict contact, allowing your child space to fully immerse themselves in the course. We also expect parents to be mindful of the 11pm night-time curfew when contacting their children.

3. ACCOMMODATION AND MEALS

Where will my child sleep?

We will be using one or two of the student houses on-campus – male and females will be on separate floors, areas or buildings. Participants will be sharing a room with up to 4 other students. Showering and toilet facilities are available within the houses. All participants are encouraged to socialise in the house day rooms, college common areas and outside, weather permitting. Participants are strongly encouraged to respect each other's space, and there will be no mixing inside the houses. It is important that all participants respect this throughout the whole duration of the programme to ensure all participants and staff are made to feel comfortable at all times.

The supervision of the houses falls under the pastoral care of the UWC Atlantic team, and house parents or facilitators will be available 24 hours a day in the case of emergency or if participants need any type of care or support.

What are the arrangements for meals?

Most meals will be enjoyed in the main cafeteria within the castle in the 'Harry Potter style' dining room. All dietary requirements can be catered for and a full range of hot and cold food is offered. There will also be snack points throughout the day appropriate to the timetable. This will typically include an additional mid-morning and mid-afternoon snack.

On days where participants take a full day trip or need to set off early for an afternoon excursion, full packed meals will be provided.

What if my child is still hungry?

In addition to the standard meal schedule, snacks will be made available in the common kitchen of each house in the form of hot / cold drinks and also fruit, spreads and breads.

4. PASTORAL CARE

What are the general security arrangements?

UWC Atlantic College has 24-hour security on the campus and participants will be clearly informed of the security arrangements as part of the first-day inductions. Participants will be strictly monitored at all times with attendance being taken at regular intervals of the day.

What are the supervision ratios?

The supervision ratio will differ depending on the activity. For adventure based activities the ratio is 1:10. All of our activities are carefully risk assessed and led by competent staff. We operate within all the relevant guidelines and regulations in relation to adventure activities, trips and visits as well as complying with any National Governing Body standards and statutory accreditation frameworks.

How is wrap around care organised?

The wrap-around, comprehensive pastoral care package provided by GLE is a three layered system, which covers all aspects of care outside of designated, supervised activity (lessons, activity sessions etc).

Layer one: One member of staff is allocated to each house and is responsible for all participants living in that house (night time, meal times, short free time sessions).

Layer two: A Duty Management System at the campus ensures that an additional, Senior Staff Member is always on call, 24 hours a day, on a rota system.

Layer three: The 24-hour security staff located on site would be mobilised in the case of supplementary first aid, or in the case of any significant emergency or fire.

What if my child feels unwell, what are the arrangements for medical care?

Should any participants require medical assistance, transport to the nearest medical facility or hospital will be available 24 hours a day, and parents/guardians will be kept informed accordingly at all times. In case of minor injury, there is always a member of staff on duty who is first aid trained, and will be able to aid on site.

What if my child feels homesick?

There will be pastoral care available 24 hours a day on-site. Any child experiencing homesickness will be looked after as part of our wrap around care to ensure their needs are met.
