# ABOUT US

---

Welcome to UWC Atlantic Experience - the home of corporate events, outdoor activities and training programmes at UWC Atlantic.

Our venues are hard to beat - a stunning Grade 1 listed 12th Century castle and 12th century converted

barn on the Glamorgan Heritage Coast in South Wales.

Surrounded by 122 acres of seafront, woodland, valley and farmland that we have been sharing with the community since 1962, this unique campus is set in the handsome

landscape of the Vale of Glamorgan between Cardiff and Swansea.

St Donat's Castle and the Atlantic Arts and Conference Centre each are distinguished venues that can set the scene for the most unique events.

Perhaps you'd rather be immersed in woodland in our secluded Valley surrounded by our wilderness friends? The options are endless when you have a campus as versatile as ours!

Our partners Town and Country Collective will help you plan a BBQ to remember, from the very initial enquiry through to the event on the day itself. Hire an outdoor space on the UWC Atlantic campus for a corporate BBQ for a fee of £500 inclusive of VAT when you book one of Town and Country Collective's BBQ packages.

# BANQUETS

---

Two unique and different venues to choose from, each offering their own beauty and individuality. Choose from St Donat's Castle - an iconic medieval castle that will leave your guests enchanted by the grand beauty and perfectly manicured steeped Tudor gardens, or perhaps Atlantic Arts and Conference Centre - a charming converted 12th century barn.

Our catering partners, Town and Country Collective can create a bespoke menu, with 2-course menu prices starting from £24.95pp.

# FILMING

---

As an experienced film location (we think it is something to do with our Grade I listed castle...) we know exactly what is important for you as a Location Manager.

We know you need:

- Privacy - and being a private College we are not open to the public
- Alternative hours - that's no problem for us - you can shoot day and night!
- Vehicle and catering parking - we've got plenty of space for that
- A venue that is proactive and efficient - our team are action-orientated and know 'time is money' when it comes to show business

Our campus is multifaceted and apart from St Donat's Castle we also have original Tudor gardens, St Donat's Bay seafront, woodland, valley, classroom and Sports Hall, land, land and some more!
