ABOUT US

Welcome to UWC Atlantic Experience - the home of corporate events, outdoor activities and training programmes at UWC Atlantic.

Our venues are hard to beat - a stunning Grade 1 listed 12th Century castle and 12th century converted

barn on the Glamorgan Heritage Coast in South Wales.

Surrounded by 122 acres of seafront, woodland, valley and farmland that we have been sharing with the community since 1962, this unique campus is set in the handsome

landscape of the Vale of Glamorgan between Cardiff and Swansea.

St Donat's Castle, St Donats Arts Centre and Madiba Barracks are distinguished venues that can set the scene for the most unique events.

The background features large, light-colored stone pillars and a large window with a diamond-patterned leaded glass design. The overall atmosphere is warm and sophisticated.

Two unique and different venues to choose from, each offering their own beauty and individuality.
