CONTACTING HOME

We would like you to be immersed in this once in a lifetime experience. Make the most of every moment and live in the present! Try to avoid constantly communicating with people back home and instead use the time getting to know your new friends. At times, you may be asked to use your mobile phones during a session to carry out some project work or play some games. Facilitators may take your phone away if they believe you are not using it appropriately. Also, let your friends and family know your timetable so that they respect your time and don't bother you while you are enjoying a lesson or an activity.

Parents, please help us to immerse your child in the NLE course and minimise your communication with them and be mindful of times when they may not have access to their phones (lessons, activities etc).

FIRST AID

In case of injury, there is always a member of staff on duty who is first aid trained, and will be able to aid on site. Should any participants require further medical assistance, transport to the nearest medical facility or hospital will be available 24h/day, and parents/guardians will be kept informed accordingly at all times.

FREE TIME

Participants will have a sleep-in pastoral supervisor and a member of the pastoral team will be present in the evenings in the accommodation but not during the lunch break (note that the accommodation block is around 50m from the welcome desk, staffed 24/7).

Participants must complete all compulsory activities on the course, but will be permitted freedom to move independently around the campus during unstructured free time, but must strictly adhere to any curfews or other restrictions communicated by staff and only access designated areas of the campus.

REMEMBER...

There will be times when all participants can relax in their accommodation. There is a day room, a TV room and also a study room with computers in each house, in addition to a large space outside the houses to play games or relax outdoors. We suggest that participants use their free time to also prepare for the next activity or project

- You are not allowed in each other's rooms under any circumstances!
- If you are close to one of your friends, or another course participant, think about how your behaviour with them may make others feel. For example, heavy public displays of affection may make others feel uncomfortable.
- You must only use the parts of the campus specified for your free time

During the offsite activities and excursions all participants will be given the opportunity to enjoy semi-supervised free time with friends. Participants will be given a very clear area in which they can spend their time, and must stay in pairs or groups at all times. There will be a staff member patrolling the area and another staff member in a central location at all times.

ACTION: PHYSICAL AND OUTDOORS ACTIVITIES

The NLE programme will involve a wide and diverse range of water-based and theory. UWC Atlantic has a range of on-site facilities (e.g. climbing wall, swimming pool), and it also benefits from its coastal location.

Taking part in any adventurous activity involves some element of risk and it is not possible to totally eliminate them all. The management of safety is the shared responsibility of the participant, parent/guardian and NLE/other appointed staff. Where the risks are managed effectively, a balance is achieved between having fun, learning and everyone's safety.

HOW IS WRAP-AROUND CARE ORGANISED?

The wrap-around, comprehensive pastoral care package provided by NLE is a three-layered system, which covers all aspects of care outside of designated, supervised activity (lessons, activity sessions etc).

- Layer one: One member of staff is allocated to each house and is responsible for all students living in that house (nighttime, meal times, short free time sessions)
- Layer two: A Duty Management System at the campus ensures that an additional, Senior Staff Member is always on call, 24 hours a day, on a rota system
- Layer three: The 24-hour reception located on site would be mobilised in the case of needing supplementary first aid, in the case of any significant emergency or fire.

WHAT HAPPENS IF I BREAK THE RULES?

We will operate a colour coded (levelled) rule breaking system as follows:

Level 1 - Blue

Example: Being late or absent without excuse. Being disruptive in classes or on activity (including using mobile devices when asked not to). Being noisy. Not keeping your room tidy. Being casually rude or disobedient. Being disrespectful. Swearing. Not listening to people in authority.

Consequence of breaking Level 1 rules: Verbal warning and ongoing monitoring

Level 2 - Brown

Example: Repeated occurrence of any Level 1 rules being broken. Any destruction of any property at any time when on the course. Accessing rooms of the opposite sex. Heavy petting (heavy public displays of affection) at any time. Accessing accommodation, of the same sex, without permission. Total disregard of rules or curfews. Setting off any alarms for no good reason. Smoking or being in possession of cigarettes at any time during the course on or off campus. Going missing on campus.

Consequence of breaking Level 2 rules: Course Director informed. Head of UWC Atlantic Experience informed. Parents/guardians informed. Written notes taken and the participant is placed under strict monitoring until the end of the course.

Level 3 - Red

Example: Consumption of drugs or alcohol, including possessing these substances. Breaking the law. Threatening, intimidating, hurting or bullying any other person at any time. Sexual intimacy, including sexual intercourse. Going missing on external activities or excursions. Staying away overnight. Gross destruction of property. Endangering yourself or others.

Consequence: All managers informed, including the Head of UWC Atlantic College. Parents/guardians informed. Police will be called in the case of law breaking or going missing. Immediate removal from the course. Parents/guardians must make arrangements to assist with the removal of the participant from the course as soon as possible.
