

GLOBAL LEADERSHIP EXPERIENCE | JUNIOR

1ST - 15TH AUGUST 2026
AGES 13-15

A UWC ATLANTIC SHORT COURSE IN GLOBAL SYSTEMS LEADERSHIP

This is a call to the curious, brave, creative leaders of tomorrow!

At 13–15, young people are at an incredible age – full of imagination, energy, questions, new ideas, and a growing desire to explore the world and express who they are. This year, experience the Global Leadership Experience Junior (GLE Jr) programme and discover a whole world of learning, fun and growth!

The GLE Junior programme invites students from around the globe to learn through play, movement, hands-on exploration, nature, storytelling, and international friendship. It's not just about learning about global leadership – it's about feeling it, trying it out, and discovering their own unique strengths along the way.

GLE Jr. (ages 13-15) is a stepping stone to GLE (ages 15–17), and its own unique space for younger teens to learn by doing, creating, exploring and connecting.

*GLE is an **accredited UWC Short Course** and a tangible stepping stone on the pathway toward deeper UWC engagement.*

Building on over 60 years of the United World College global movement – making education a force to unite people, nations and cultures for peace and a sustainable future – the 2026 GLE programme returns with two new accredited UWC Short Courses that are rooted in the UWC mission and in UWC Atlantic College's pioneering new Systems Transformation Pathway (STP) programme: GLE and GLE Junior (Jr.).

GLE Junior is designed to spark confidence, nurture individuality, and help students grow in a supportive, exciting international community.

Hosted at St Donat's Castle, a 12th-century castle turned campus on the coast of Wales, GLE Junior combines outdoor learning, creative workshops, dynamic games, ecology, theatre, Welsh and Celtic folklore, and guided reflection. Students leave with new skills, new friends, and a stronger sense of who they are and what they care about.

A UNIQUELY BOLD LEARNING ADVENTURE FOR YOUNGER TEENS

The 2026 GLE Jr. programme builds on more than six decades of UWC education to create a course centred on:

Leadership as something **shared, daring, playful and regenerative**

Thinking for oneself and learning to make **ethical, reflective decisions**

Celebrating **intercultural learning and diverse life experiences**

Discovering Wales through **ecosystems, history, myth, and living culture**

Learning through **games, movement, theatre, metaphor and nature**

Being in our “growth zone” and building our **confidence and agency**

Moving from "I don't know if I can" to **trying, learning and growing together**

Moving from "I feel different" to “**my differences are my superpower**”

GLE Junior is designed as a laboratory for play-based systems learning and holistic growth: a place to experiment with new ideas safely, joyfully and with purpose.

Participants will leave with a new sense of belonging to a global community of young change-makers.

A FIRST STEP ON THE JOURNEY TOWARDS LEADERSHIP IN A CHANGING WORLD

GLE Jr. is an opportunity for young changemakers beginning to explore leadership, global awareness and their own values.

GLE Jr. introduces participants to:

The GLE Junior programme uses storytelling, play-based learning, imagination, and hands-on exploration suitable for early teens. It offers a safe, inspiring environment to build foundational skills that prepare young people for:

- GLE: ages 15-17
- study at the United World Colleges, and
- future leadership roles in their home communities and around the world.

By joining this programme, you are joining the UWC movement and finding a home within it that you can take with you wherever you go.
